

CAMP BROADSTONE DAY CAMP CODE OF CONDUCT

Camp Broadstone offers a safe and wholesome environment in which campers live, play, and learn as part of a greater community. Camper attitude and behavior are critical to the success of the Broadstone community and each individual makes a difference in the quality of the camp experience.

In order to create a community atmosphere, campers are asked to follow these behavioral guidelines during their camp session. Campers and parents/guardians must read and sign this agreement prior to camp attendance. This form may be submitted along with the camper's health form or at the check-in registration on the opening day of the camper's session.

I will treat everyone in the camp community with respect at all times, including showing respect for another's personal belongings, privacy, and feelings.

I understand that harassment based upon race, color, religion, creed, sex, national origin, age, sexual orientation or disability is a form of discrimination in violation of federal and state law and/or Appalachian State University policy, and will not be tolerated.

I will respect the camp's facilities and equipment and not take or destroy camp property.

I will not use obscene or foul language or gestures and I will not bring with me music with lyrics which contain obscene or foul language or make reference to violent offensive actions.

I will not engage in any activity which may put myself, other campers or staff at risk.

I agree to abide by the rules and regulations of the camp and understand that I am expected to follow directions and guidance provided by the camp staff.

If the camper fails to abide by these behavioral expectations the parent/guardian will be notified by phone and asked to assist in helping their camper make more positive choices. If camper behavior does not improve, the camper will be asked to leave camp. Parents are responsible for their campers travel to and from camp.

Campers asked to leave camp early for behavioral reasons will not receive a refund.

The following behaviors are considered very serious and will result in immediate expulsion from camp:

1. Possession or use of weapons, elicit, illegal drugs or other controlled substances, tobacco products of any kind and alcoholic beverages.
2. Physical abuse of any kind including hitting, kicking, biting or pushing another camper or staff member.
3. Failure to follow staff instructions thereby resulting in situations that put themselves, other campers, or staff in physical danger.
4. Leaving camp property or assigned program area without the permission of the staff member supervising the area or activity.
5. Verbal abuse of other campers or staff.
6. Behavior that is constantly interfering with the quality of the program other campers are receiving.
7. Campers threatening to harm themselves or other campers.

I have read and understand these behavioral expectations and I agree to abide by them at all times during my stay at camp.
